- There has been a steady increase in the number of half-days in session during the last 3 years.
1. More pupils were registered last year; the average membership increased 7.75.
 2. The per cent of attendance is lower on account of the scarlet fever scare in the village.
 3. The number of tardinesses has somewhat decreased. Most of the tardiness occurred in the small schools outside the village.
 - 4.

The total number of pupils attending public schools in the district was 246. Of these 31 were non-resident High School pupils from neighboring towns as follows:

Sutton, 17; Bradford, 8; Newbury, 3; Webster, 2; Salisbury, 1.

There were also 6 elementary school pupils from Sutton. This leaves a total of 209 pupils residing in the district and attending public schools. This is an increase of 17 over last year. The per capita tax based on the number of resident pupils is therefore \$418, for December, 1930.

ROLL OF PERFECT ATTENDANCE

For One Year: Effie Brown, Louise Bartlett, Alice Bartlett.

For three 9-weeks periods: Cornelia Bigelow, Wallace Estey, Woodrow Flanders, Helen Bartlett, Laurence Clemons, Joseph Bartlett, James Harriman.

For two 9-weeks periods: Edythe Bartlett, Carl Whitcher, Eleanor Hamilton, Margaret Chase, George Heath, Gordon Harris, Janis Burbank, Ruth Estey, Anna Flad, Byron Harriman, Helen Harris, Herbert Trow, Clifton Whitcher.

For one 9-weeks period: Robert Cutting, Floyd Gerrish, Eleanor Mount, Hazel Shaw, William Speck, Barbara Straw, Roy Davis, Bernard Forsaith, Donald Cartledge, Marion Gienty, Charlotte Blake, Ruth Bean, Margaret Greenwood, Gordon Anderson, Harriett Bagley, Priscilla Davis, Otis Duguie, George Cilby, Betty Finch, Marvin Gerrish, Mary Clay, Gertrude Davis, Hugh Wiggins, Ruth Clemons, Philip Estey, Robert Moore, Laurence Harris, Norma Archibald, Stella Sawyer, Cleo Sawyer, Alfred Cloues, Philip Estey, Sarah Anderson, John Bigelow, Anna Clay, Donald Hamilton, Richard Watkins, Della McDonald, Elmer Thompson, Mary Valley, Kennet Estey, Emily Gienty, Mildred Harris, John Bartlett, Roy Sanborn, Walter Sanborn, Helen Walker, Albert Cayer.

MEDICAL INSPECTION

The annual medical inspection was made by Dr. L. H. Cogswell and reported as follows:

No. pupils examined	194
No. teachers examined	9
No. cases 10% or more underweight	33
No. cases defective vision	12
No. cases defective hearing	8
No. cases defective teeth	97
No. cases diseased tonsils	35
No. cases pediculosis	6

From November 19 to December 21 a dental clinic was held at the Graded School. Seventy-four pupils were treated, 117 fillings and 30 extractions were made. The attending physician was Dr. G. A. Danforth of Manchester, N. H.

Much more benefit might be derived from the medical inspection if follow-up could be done soon after it is made. This work cannot be done by the examining physician except in families where he may be employed. In many cases parents neglect the defects reported at the time of the inspection, in other cases they may feel financially unable to employ a physician to do the work needed for their children. Some of these difficulties might be overcome by the employment of a school nurse for a few weeks. Such a nurse could visit parents and explain to them in more detail the needs of the children. She would in some cases be able to secure free treatment for children in clinics at Concord or Manchester, or to secure the advice of specialists in particular cases.

In some parts of the state several school districts have joined together in the employment of a school nurse for a year,—each district paying its proportional share of the expense. We would recommend this plan for the serious consideration of the board and parents.

In June a class of 18 graduated from the eighth grade of the Junior High School. One pupil graduated from grade 8 at Burnt Hill School. All but one of these graduates will enter High School.

There is a serious need of some playground apparatus for the Graded School. Swings and see-saws could be provided at moderate cost, and would be well worth the investment.

Another project toward which we may be working is the leveling of the playground behind the school building. At present a considerable proportion of the space is such steep hillside that it is of little value except for coasting for a time in the winter. The gravel from the hill at the back of the playground would nearly fill the hollow in the middle.

We wish to thank the board for their interest, co-operation, and support. As a whole this was a year of good progress for the schools. Parents, pupils, teachers, and the board have each contributed to this advancement. Only thus can substantial gain be made.

Respectfully submitted,

JOHN A. SINCLAIR,
Superintendent of Schools.
